WELCOME TO PARKTACULAR!

You made it! You're here – so now it's time to relax and enjoy a fun day! It's time to have some fun and celebrate hope!

Today is a special day! You'll probably see some kids with food truck yumminess smeared across their face. You'll probably see some really cool stuff at the Dennis Mansfield Market. Plus, there's gonna be some great music on the Boise Recycle Concert Stage all day long!

The vibe of today—the fun, the positive vibes, and the heartfelt passion of hope—is what 89.5 KTSY and Project 88.7 are all about. If you haven't checked them out about before, this is your time! Listen on the way home and then start your

week tomorrow being in a better mood and thinking about hope by listening!

On KTSY, you'll hear Dave & Tristi, Don Godman, and uplifting music all day! Project 88.7 has more of a pop/hip-hop feel with the Last Resort Morning Show, Kristin the Island Girl, and Brant & Sheri in the afternoons.

So welcome to this party celebrating the good stuff. Our goal is that you leave here remembering that there is good in the world, we have a reason to have joy, and there is hope!

Listen closely, have some fun, win fun stuff!

Parktacular HopeFest is here because of some amazing companies that make it happen financially! Let's have some fun! When they get up front to say hi, pay attention! You can win cool prizes!

When Diamond Heating & Cooling, Plumbing and Electrical come on stage, count the number of times Rick & Sue Ellen say the word Diamond! Go to their booth and you could win a cool prize from Diamond!

When Dennis Mansfield is on stage, the KTSY/Project crew is going to do a random impersonation of a famous actor or musician. Go to his booth with the correct answer, and you could be the winner!

When Gem State Adventist Academy is on stage, they will have a strange, random word fit into their talk. You figure out the word and go to the Gem State Adventist Academy booth, tell it to them, and you can win!

When you see Pastor TJ from Refresh Church on stage, see how many times he mentions "WATER"—the word or something about water—and bring that number to Refresh Church's booth to win!

Linda Thomas with Stanton Healthcare is all about hope! Report how many times she says "HOPE" at the Stanton Healthcare booth to win!
